SUPERVISOR'S REPORT

- We had no bids in May for the Master Plan. We will be contacting Regional Planning to get a rough estimate. They are busy and won't get to it until around wintertime.
- Renee called and the money the state owes, around $400,000 they are working on through legislature. We will get more information on it.
- The website is coming along, and we will be having training soon for it.

PUBLIC COMMENT

The Fire Hall is making progress. The inspection for plumbing passed, electrical is today. The mechanical is ready to be scheduled; walls inside and outside have been ordered. Supplies are coming in and we should have power soon.

#4 MOVED: by Rob Mills, second by Loretta Robinson to accept the Police Board's recommendation to have Rod Weisinger fill the open board seat. Motion carried.

#10 MOVED: by Sarah Pierson second by Loretta Robinson to approve the Fire Department to purchase 8 pagers not to exceed $6,000.00. Motion carried.

PUBLIC COMMENT

- The roads are very sandy do we have street sweepers?
- This past weekend was the Historical Society's Saturday Market/potluck. I believe it was very successful. A lot of people rely on the Calanders, if those could be sent out sooner.
- We have had a few community members put in a lot of time at the Heritage Society. We are doing free walk throughs, make sure to come and see the progress!
- I am an UP North advocacy for data centers. I am bi- partisan and work with townships to be informed either way.

BOARD MEMBER COMMENTS

- I would like you to join a Planning and Zoning meeting to address the data centers.
- July 18th is the community yard sales.
- August 4th is the Primary Election. I have finished mailing out absentee ballots.
- Please let us know when MTA is.

Meeting adjourned at 8:06 PM.

\KINROSS HISTORICAL SOCIETY

Minutes – June 18, 2026

Board Members Present: Deb Young, Bill Young, Myron Curtis, Jeannie Masterson, Erica Cogswell, Alyssa Bazinau. Other Members Present: Robert Tompsett, Sara Snider

The meeting was called to order by President Deb Young. Denise and David were absent.

All members present received a copy of the previous minutes. A correction was noted that the Fraternal Order of Orioles entry should be listed as a donation, not a membership. Jeannie moved to accept the minutes with the correction; Robert seconded; motion carried.

Jeannie presented the Treasurer's report. There was no money coming in or going out for the month of May. Deb submitted receipts for paper products totaling $22.74 and cleanup day items, food, drinks, and ice totaling $85.67. A $35 vendor fee was also received for the farmers' market. Erica made a motion to accept the Treasurer's report; Myron seconded; motion carried.

The group discussed the possibility of adding an online donation/payment option to the website, such as Venmo, Square, PayPal, or a QR code. Jeannie will look into setting up a nonprofit Venmo account. Myron is also working on the website security certificate.

Under Old Business: Plans for the July 4th community picnic and farmers market were discussed. Deb and Sara will shop for supplies. Guests will be encouraged to bring a dish to pass, lawn chairs, and any specialty drinks they want. Bottled water will be provided. Erica will provide one or two large coolers. The group estimated attendance could be around 40–50 people. Erica will continue scheduling social media posts and will include reminders for guests to bring food and lawn chairs. Children's activities were discussed. The group agreed to do a scavenger hunt instead of coloring sheets. Jeannie will work on a scavenger hunt checklist.

Sara presented options for a portable hand-washing station. Jeannie made a motion to purchase a hand-washing station, not to exceed $200; Erica seconded; motion carried.

Setup for the July 4th event will take place on the morning of Friday, July 3rd. Members are encouraged to help set up.

For the farmers market, Deb reported that only three vendor applications had been received so far, and those vendors will not be present on July 4th. Several possible vendors were discussed, as well as a face painter. The Garden Club plans to have a table with plants.

Erica has printed vendor forms and flyers to hand out at other markets and community events. Deb and Sara also plan to attend nearby markets to distribute vendor forms as well.

Robert asked about the previously approved 250th birthday flag and reminded the group not to wait too long to purchase it. The group also discussed cleaning needs for the outdoor bathrooms.

Under New Business: Erica reported that she has been researching canopy or covered walkway options. She is looking into standalone anchored canopy options and will send Deb possible choices after reviewing wind and snow load requirements.

The group also discussed replacing the current museum door with a more secure door. Erica will research door replacement options.

At 7:50 PM, Jeannie motioned to adjourn the meeting; Myron seconded; motion carried. Meeting adjourned.

Submittal Package 2.pdf;

Greg,

Please see the attached liner info.

- This liner is designed for a 50 year lifespan. Should easily reach 100 but the manufacturer usually will only do the minimum requirements.
- This liner is 10x the strength of the inversion liners and will be beneficial with your shallow sewers and the temps you receive up there.
- UV Liners have multiple layers to them. The inner and outer layers are plastic that hold the resin inside the liner instead of being exposed to the pipe wall prior to curing. With the resin being semi thick, there is next to 0 release of styrene from these liners. Once the curing head turns on and is being pulled back at 4-5` per minute, the resin is fully cured. When the liner is fully cured, the inside plastic gets pulled out.
- We will do the same 1 year warranty as others provide.

If you need any additional info, please let me know.

Thanks

CHARTER TOWNSHIP OF KINROSS
COUNTY OF CHIPPEWA, MICHIGAN

At a regular meeting of the Township Board of the Charter Township of Kinross, Chippewa County, Michigan, held in the Township Hall, in said Township on the 6th day of July, 2026, at 7:00 p.m.

PRESENT: Members: _____

ABSENT: Members: _____

The following preamble and resolution was offered by Member _____ and supported by Member _____:

RESOLUTION NO. 13

RESOLUTION TO APPROVE BALLOT PROPOSAL FOR RENEWAL OF ROAD MAINTENANCE, IMPROVEMENT, AND REPAIR MILLAGE

WHEREAS, the electors of the Charter Township of Kinross (the "Township") previously approved a one and one-half (1.5000) mill levy to raise funds to be used for maintenance, improvement, and repair of roads within the Township, which levy has been reduced to 1.4581 mill by operation of the Headlee Amendment;

WHEREAS, authorization for the levy of this millage extended through the December 1, 2025, levy;

WHEREAS, the Township Board of the Charter Township of Kinross finds that it is necessary, advisable and in the best interests of the residents of the Township to continue to raise such additional funds for road maintenance, improvement, and repair purposes for the Township;

WHEREAS, the Property Tax Limitation Act, Act 62 of the Public Acts of Michigan of 1933, as amended ("Act 62") authorizes the Township Board to request that Township voters renew this special millage; and

WHEREAS, Section 358a of the Michigan Election Law, which is Act 116 of the Public Acts of Michigan of 1954, as amended ("the Michigan Election Law"), authorizes the Township Board to call a special election to be held in the Township for the purpose of submitting a ballot proposition to the electors of the Township.

NOW, THEREFORE, BE IT HEREBY RESOLVED AS FOLLOWS:

1. The question whether to renew the tax levy for road maintenance, improvement, and repair purposes for an additional period of four years beginning with the December 1, 2026, tax levy, in the amount of 1.4581 mill, and to levy an additional 0.0419 mill for such purposes to restore previous millage reductions under the "Headlee Amendment," shall be submitted to the qualified electors of the Township at a special Township election coinciding with the regularly scheduled general election to be held on Tuesday, November 3, 2026, pursuant to the provisions of the General Property Tax Act and the Michigan Election Law.

2. The ballot proposal to be submitted to the electors shall be in the form attached hereto as Exhibit A, and in such form is certified to the County Clerk.

3. The last day of registration for the November 3, 2026, special election, other than in-person registration, shall be Monday, October 19, 2026. Pursuant to Section 498(1) of the Michigan Election Law, the Township Clerk is hereby directed to be at the Clerk's Office located at the· Township Hall, 4884 W. Curtis Street, in the Township, on Monday, October 19, 2026, from 9:00 a.m. to 5:00 p.m. to receive applications for voter registration.

4. The Township Clerk is hereby directed to provide for publication of the Notice of the Last Day of Registration, which is hereby approved substantially in the form attached hereto as **Exhibit B**, on or before October 5, 2026, and, in addition, to provide for publication of the Notice of Election, which is hereby approved substantially in the form attached hereto as **Exhibit**

C, on or before October 27, 2026. The publication of such notices shall be made in *The Sault News,* which is hereby determined to be a newspaper of general circulation in the Township.

5. The Township Clerk is hereby authorized and directed to follow all procedures required by the Michigan Election Law for the special election, and may, as necessary, combine the notices required to be provided herein with any other notices required to be provided under State law with respect to the November 3, 2026, election.

6. The Township Clerk is hereby authorized and directed to revise the attached exhibits as necessary to update the information contained therein, prior to publication of the required notices.

7. The Township Clerk is hereby authorized and directed to make the necessary arrangements to deliver a certified copy of this Resolution to the Chippewa County Clerk as soon as possible, but in no event later than 4:00 p.m. on August 11, 2026, and to take other steps which are necessary and useful in scheduling the election.

8. The Township Clerk is hereby authorized and directed to file, within five days after the election, a certified copy of the official declaration of the election results with the County Treasurer.

9. All resolutions or parts of resolutions in conflict herewith shall be and the same are hereby rescinded.

MILLAGE RENEWAL PROPOSITION
1.5000 MILLS FOR ROAD MAINTENANCE, IMPROVEMENT, AND REPAIR PURPOSES

Shall the expired previously voted increase in the Charter Township of Kinross tax rate limitation, currently 1.4581 mills ($1.4581 per $1,000 of taxable value), be renewed and levied for a period of four (4) years, 2026-2029, both inclusive, and shall an additional 0.0419 mill ($0.0419 per $1,000 of taxable value) be approved and levied to restore previous millage reductions under the "Headlee Amendment" since this millage was last approved, resulting in the levy of 1.5000 mills ($1.50 per $1,000 of taxable value), subject to reduction as provided by law, on taxable property in the Township?

The purpose of this levy is to provide funds to be used for maintenance, improvement, and repair of roads within the Township roads situated in Kinross Charter Township. It is estimated that a levy of 1.5000 mills would provide revenue of $96,542 in the first calendar year, of which $2,697 would result from the additional 0.0419 mill. The revenue from this millage levy will be disbursed to the Township.

The purpose of this levy is to provide funds to be used for maintenance, improvement, and repair of roads within the Township roads situated in Kinross Charter Township. It is estimated that a levy of 1.5000 mills would provide revenue of $96,542 in the first calendar year, of which $2,697 would result from the additional 0.0419 mill. The revenue from this millage levy will be disbursed to the Township.

Kinross Charter Township Master Plan Update
Itemized Scope of Work

Below is a draft Scope of Work, which itemizes updates that the Kinross Charter Township Master Plan would benefit from. The Scope of Work is customizable and subject to change: depending on what work the township wants to engage with EUP to complete, the costs could be more or less; these are estimates.

Work Item	Description of Work	Est. Time - Hours	Est. Cost
1	**Master plan maps:** All maps, would be done using ArcMap GIS software and the most current data available. This would make for a more contemporary appearance and allow for subsequent updates and changes to be done easily and consistently. Written analysis would accompany each map. 1. Location 2. Existing Land Use using updated parcel boundaries 3. Community Asset Inventory 4. Transportation Network 5. Environmental Features (includes environmentally sensitive areas: wetlands, woodlands, steep slopes) 6. Future Land Use	60	$4,500
2	**Community engagement via survey:** The planning process will include a community survey available to the public via website and hard copies. The survey results will be reported and used to inform the direction of the plan.	40	$3,000
3	**Integration of socio-economic data:** Full review of current plan demographic data, research and analysis of most currently available Census data, and analysis of data for comparison communities.	30	$2,250
4	**Existing Land Use Map:** Field survey and mapping of existing land use, prepared on updated parcel map. Analysis of commonly represented land uses.	60	$4,500
5	**Update of the master plan document:** The revised plan will be in compliance with the Michigan Planning Enabling Act. This update would include input from the community survey, existing land use analysis, housing related analysis, goals and objectives, future land use and zoning plan, and incorporate other recently completed plans.	100	$7,500
6	**Action plan and implementation table:** The action plan will consider the community input survey results and the goals and objectives in order to create specific and achievable actions that the township can take. The implementation table will identify the action	25	$1,875

	item, the responsible party, the ideal timeframe, and the potential funding source.		
7	**Process Administration:** Administrative activities such as public notices, affidavit of mailing, notices to surrounding townships, public hearings, etc., will be the responsibility of the Township Planning Commission and/or Township Board. Eastern UP Regional Planning & Development Commission staff will assist in these efforts where needed.	25	$1,875
	GRAND TOTAL:	**340**	**$25,500**

Good Morning,

I was in yesterday but didn't want to talk specifically about this till the lunch meeting.

I know when the 6-month check was cut/issued, there was a comment that the remainder could be issued if NEMSA asked. We are at the point of myself and NEMSA asking if the remainder can be issued. If Jim has already had a conversation with either of you, please disregard.

Thanks for your time,

Subject: Financial Status

Good Afternoon,

Bruce and I had meeting with Bryan today to discuss our finances. We are 5 months into the year and are still not recieving large payments coming in from our billings. We were told in the beginning to expect a 3 month delay. We are getting between 40K & 50K per month coming in with Bruce seeing a decline in the revenue instead of it increasing as we expexcted to see. We have billed over 1 Million and have only recieved around 100K back in payments. We've recieved around 10% and thats a long way from the 65% return rate we were told to expect.

Bryan is reaching out to EMSMC (our biller) to get some clerification on some questions about expediting the AHC payment approval from Blue Cross. And to inquire about getting some sort of rerport that shows us what/who has been billed and what we receive from those billings each month. Also asking of we can have the dates when they started sending billings to the insurance companies.

I'm reaching out to ask for assistance. Financial assistance that is. We are in a very dire spot at the moment. Currently we have $92K in our accounts. This not even enough to cover our next payroll run which happens next Wednesday/Thursday. I believe we will need around $100K to make payroll. If there is any way some of the townships can pay additional payments it would be extremely appreciated!

My apologies for the bad news email but I need to keep you all in the loop and informed. I know this sounds like doom and gloom but we will make it through this. Bryan will get us the the needed information from EMSMC and we will get whatever billing hurdle thats seems to be hindering our progress handled and NEMSA will remain alive and well. Anything anyone can do before next Wednesday with any additional payments would be extremely appreciatd!

Thank you everyone for all you do!
Jim

Good Afternoon,

I See we have another random charge,

Phil and Renee, Can you find the computer that has this Microsoft product on it? If it is a computer we need suite, we can get local product like last new computer and end this yearly cost.

Mike, Please Please TURN OFF THIS CARD. I talked to Lorretta today about turning it off. If you can pay off and We will reimburse this total on next checks.

Thanks,

Bryan,

The credit card that I think used to be the Ambulance Department's has a charge from Microsoft on May 28 for $104.94. Might that charge be yours?

Thanks,

Attached are some stair climbers for the Fitness Room, I'd like approval to purchase one. Also attached it a quote from NsaG. I don' need everything on the quote, but would like approval for up to $9500 to purchase materials for the Volleyball Court.
Thanks,
Levi
