CHAIRMAN'S COMMENTS:

Welcome to Cierra McDonald, board representative to the commission.

NEW BUSINESS:

Motion #1: by Barb to approve agenda, support by Kathy. Motion carried.

Motion#2: by Carolyn to approve April's meeting minutes made, supported by Nate. Motion carried.

Motion #3: by Barb for the Election of Officers, support by Carolyn.: Motion to approve Arthur as chairman, Kathy as vice chairman, and Carolyn as secretary. Motion Carried.

Motion #4: by Judy to grant the Quarrying request by RNL land clearing, supported by Kathy, motion carried. Motion carried.

It was brought to the attention of the commission that someone would like to possibly put in a campground, or camping options on M 80 near the old gas station. It appears that zoning is mixed use and will need to be looked into further. Kathy is going to look into other options and areas for possible camping.

Ask the Zoning Administrator, Doug, look into the trailer across from the trailer park on M 80. The trailer park was requested to be cleaned up now. The trailer across the street needs to be cleaned up as well.

Arthur will not be available for next month's meeting; the meeting will be cancelled unless urgent business arises.

OLD BUSINESS:

Continued working on revisions to ordinance 1.131
