Kinross Township gets ready for fun

Kinross, Michigan, August 8, 2005 – Its almost Chippewa County Fair time and Kinross Township is busy working with the fair board to get the fairgrounds ready for the scheduled fun. The fair grounds are located inside the Kinross Charter Township Community Park.

Each year the fairgrounds undergo an inspection and work crews are dispatched to fix a long list of items. These items include bleacher boards, race track back boards, holes in the roof, barn repair and much more. New items include an additional livestock building and a handicap ramp on the 4-H building.

This year, representatives from Kinross Township and the Chippewa County Fair Board got together early to schedule the many projects that needed completion. “The joint work group came together back in June and completed a walk through to list items that needed our attention” said Joe Paczkowski, Deputy Supervisor. “We felt the need for more team work in this area to insure a successful county fair.”

“There is still more work to be done and I encourage anyone interested in volunteering to contact my office at 495-5381” said Jason Oberle. “As always, I welcome the public to get involved and help make it happen. You may even get a chance to dunk me at our dunk tank fund raising event which will take place at this years County Fair.

The 2005 Chippewa County Fair will be held August 28 - September 5 at the Chippewa County Fairgrounds Kinross, Michigan 49752 Located just 1 mile off I-75 Kinross exit 378.
