NESMA has been operating for around 3 weeks now and so far, seems to be going well. Christmas day they did have an accident with one of the ambulances being totaled out. They do not necessarily need the ambulance replaced, but we will be looking into it after the insurance claim is completed.

There have been no updates on Verizon.

There was a good discussion with the 4-H Council and MSU Extensions. The conversation was transparent but still did not come out with any conclusions. We are still discussing and will continue to review.
