PUBLIC COMMENT

- The roads are very sandy do we have street sweepers?
- This past weekend was the Historical Society's Saturday Market/potluck. I believe it was very successful. A lot of people rely on the Calanders, if those could be sent out sooner.
- We have had a few community members put in a lot of time at the Heritage Society. We are doing free walk throughs, make sure to come and see the progress!
- I am an UP North advocacy for data centers. I am bi- partisan and work with townships to be informed either way.

BOARD MEMBER COMMENTS

- I would like you to join a Planning and Zoning meeting to address the data centers.
- July 18th is the community yard sales.
- August 4th is the Primary Election. I have finished mailing out absentee ballots.
- Please let us know when MTA is.

Meeting adjourned at 8:06 PM.
